The User Management section allows administrators to manage all platform users. It includes a search bar for finding users by name or email, a dropdown for filtering by role, and a table listing all users. The table columns are User, Email, Role, Status, Joined, and Actions. The table contains three users: John Instructor, Jane Student, and Admin User. The Admin User is highlighted with a red background.

USER	EMAIL	ROLE	STATUS	JOINED	ACTIONS
John Instructor	instructor@demo.com	instructor	Active	4/30/2026	
Jane Student	student@demo.com	student	Active	4/30/2026	
Admin User	admin@demo.com	admin	Active	4/30/2026	

The footer of the page contains the EduFlow logo and tagline, a 'LEARN' section with links to Explore Courses, Categories, and Instructors, a 'TEACH' section with links to Become an Instructor, Instructor Dashboard, and Create Course, and a 'COMPANY' section with links to About, Careers, Privacy Policy, and Terms of Service.
